

SOLAR HOME SYSTEM VP-4

**Village
Power**

Partnerships that count.
Results that matter.

**Long Life
Polycrystalline
Solar PV Panel**

**Solar Charge Control
Unit - Robust Metal
Box, PCB and Sockets**

**Maintenance Free
Deep Discharge
Solar Battery**

**Powerful High
Lumen LED
Solar Bulbs**

**Multi Phone
Charger**

Other Components

**x8
LED Light
Bulb Holder**

**x1
Solar PV Cable
with Lugs**

**x3
DC Cable
with DC Plug**

**x3
25 Meter
Cable Roll**

**x8
LED Light
Bulb Switch**

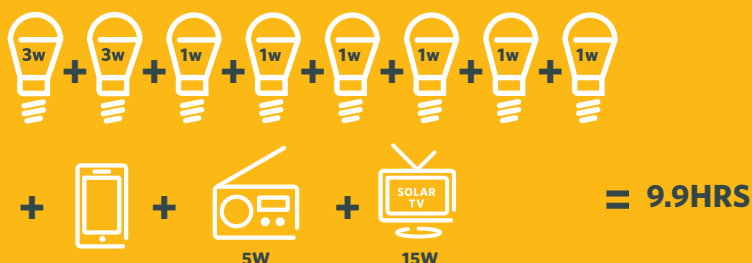

**x3
Wall Plug**

Time of use (with kit lights plus phone charging)

Time of use (with devices designed to support)

Other Features

- Installation included
- Panels fitted on roof by expert technicians
- Includes connectors and wall plugs

DC System

Maximum Output Power	40 W
Dedicated Solar Panel	50Wp
BATTERY:	
Battery Size	40Ah
Maximum Energy	336Wh
Charging time (dedicated panel)	6.7h
DEVICES IN KIT:	
Bulbs 1W / 120 Lumen	6
Bulbs 3W / 250 Lumen	2
Mobile Phone Charger	1
DESIGNED TO SUPPORT UP TO:	
LED lamps (1W each)	6
LED lamps (3W each)	2
Mobile Phone Charger	1
DC Radio	1
Solar TV	1
WARRANTY	
System Warranty	2 years
Panel Warranty	10 years
Power Output Warranty:	25 years (80%)
