Wall Plug

Time of use (with kit lights plus phone charging)

Time of use (with devices designed to support)

Other Features

- Durable closed metal body works in tough conditions, and protects against rodents, dust and tampering
- Environmentally friendly
- Recyclable
- Installation included
- Panels fitted on roof by expert technicians
- Includes connectors and wall plugs

DC System

Maximum Output Power	120 W
Dedicated Solar Panel	100 Wp
BATTERY:	
Battery Size	80 Ah
Maximum Energy	672 Wh
Charging time (dedicated panel)	6.7 h
DEVICES IN KIT:	
Bulbs 1W / 120 Lumen	6
Bulbs 3W / 250 Lumen	2
Mobile Phone Charger	1
DESIGNED TO SUPPORT UP TO:	
LED lamps (1W each)	6
LED lamps (3W each)	4
Mobile Phone Charger	1
DC Radio	1
Computer	1
TV	1
WARRANTY	
System Warranty	2 years
Panel Warranty	10 years
Power Output Warranty:	25 years (80%)
